

Web and Digital Media Project Proposal

Projects for unit finals require evidence of a minimum of 10 individual hours of work. Students may work individually but are strongly encouraged to work in pairs or small groups. Projects ultimately are spotlighted in your web-based portfolio. Be mindful of how they are going to be rendered in the portfolio.

Category and Title of Work:

Web ☐ Raster ☐ Vector ☒ Audio ☐ Animation ☐ 3D ☐ Video ☐ Other ☐ _____

Title: Nexus Wars
